

PARTNERSHIPS

The program is built on a partnership with Milton Barnes and the Battle Creek Family YMCA as a 501 (c)3 charity in order to positively impact area youth. The program began under the direction of Barnes on Oct. 11, 2016. This program is meant to enhance programming offered by area schools. Due to the fact that Calhoun County ranks among the least healthy counties in the state of Michigan with high levels of youth obesity, it is important to provide area youth with opportunities to enhance healthy living principles while also positively impacting academic achievement and character development.

CONTACT US

Together – we can make a positive impact on area youth. If you are interested in supporting our program, or if you would like more information about Play Right Basketball Academy, please contact us.

ABOUT PRBA

The Play Right Basketball Academy is an after-school program for boys and girls from third through eighth grades in the Battle Creek, Albion, Marshall and the greater Calhoun County area. It runs three days a week for nine months each year.

The program is comprised of four components:

1 – LIFE SKILLS

2 – BASKETBALL SKILLS

3 – ACADEMIC SUPPORT

4 – HEALTH AND FITNESS ACTIVITIES

The core principles are desire, dedication, and discipline. Through these principles, students will be encouraged to have the desire to be their best; dedication to hard work; and the discipline to make good decisions on and off the basketball court.
