YOGA Class Descriptions:

Level ONE:

Aerial for Beginners: Join us to work on your strength and flexibility using silks, hammocks and a lyra ring. These classes are held in Y in the Sky.

Basics and Beyond: For newer students, or those wanting to further explore foundational poses in an encouraging and slower-paced class.

Chair Yoga: Yoga moves while seated.

Gentle Yoga: A less strenuous class, with light strengthening and gentle lengthening of the body. Class is accessible and a great way to start or to explore your practice.

Restorative Yoga: Find your way into a pose, supported by props. Release and let go into the pose rather than working to find it. Focus on relaxation and renewal.

Yoga Flow: Flowing movement connected with breath.

Yoga: Strengthen and tone, increase energy, calm and focus the mind, open to a sense of peace.

Level TWO:

Yoga for Everybody: Greater variety; faster paced than the Basics class, with more options for intensity. Breath work, linking of poses in flow sequences, and stretching included; experience helpful.

Slow Flow: The movement is slow and deliberate. Great opportunity to stretch, breathe, and feel each pose. Great for firming the body and connecting with the breath.

Yin: Yin is designed to help you sit longer and more comfortably, in meditation by stretching connective tissue around the joints (mainly the knees, pelvis, sacrum, and spine). This involves variations of seated and supine poses typically held for 3 to 5 minutes, accessing deeper layers of fascia. Beginners are welcome as the instructor will adjust to each student.

Level THREE:

Strong Flow: Faster flows and strength building vinyasa class.
